BRO Credits & Bridge Projects

In attendance were Presiding Commissioner Lee Sawyer, Commissioner Scott Burnham, Commissioner Ron Hook, Chance Gallagher, Andy Macias, Larry Jacobson, Abe Forney and Amy Kendall

Scott started meeting about BRO funds and soft match credits. Andy explained that all the bridges the city is replacing can be applied for soft match credits. The rules changed in August 2022 and now municipalities are eligible to get credit and are eligible for BRO funds. Andy went over the process to get soft match credits; have to have documentation on right of way, environmental, bridge rating etc. It's in the LPA to provide MoDot the documentation, take all costs, add it all up then get 80% credit towards future projects. Andy confirmed BRO cannot be used for projects in process now. Discussion on city bridges and process of bridge inspections and proper documentation.

Meeting adjourned at 2:04 pm
