## **Business**

There was a brief discussion on the current level of the Missouri River; it is supposed to crest at 24' on Wednesday, July 3, 2024. Because of the high river level, there is water in Lake Contrary. Commissioner Hook explained that the relief wells were cleared last week to help with the flow.

Commissioner Hook mentioned about possibly talking with HUB about making additional coverages to our health insurance plan for things such as hearing aids and gastric bypass/band surgery and asked if there were other ideas for coverage. Commissioner Nelson talked about mental health coverage and if Health Joy was beneficial. He thought it would be interesting to know what is the most used service and if there were crossovers offered for free through CIGNA.

## **Adjourn**

With no further official business on the agenda Commissioner Hook made a motion to adjourn to any unofficial business that may develop during the day. Commissioner Burnham seconded the motion. All are in favor of adjourning. The meeting ended at 9:18 am.
